MEDIA RELEASE
January 6, 2005

City of Oakland Temporary Street Closure
High Street

Oakland, CA – High Street between Coliseum Way and San Leandro Street will be closed between January 10, 2005 and January 14, 2005.

The Public Works Agency is working with Union Pacific Railroad to upgrade the railroad crossing in this area. The existing crossing will be replaced with concrete panels, which will provide a smoother ride and will require less maintenance than the existing crossings. In order to complete this work safely the streets indicated will be closed during the construction work. For more information, contact the Public Works Agency, Engineering Design and Right-of-Way Management at (510) 777-8395.
