**Albertsons Donates Recycled Plastic Bag Bench  
To the City of Oakland in Honor of Earth Day  
(Photo Op)**

***Oakland, CA, April 22, 2005***, - Albertsons recognizes that protecting the environment and conserving natural resources are important causes to its customers and has added environmental stewardship to its key socially responsible charitable giving initiatives. In honor of this new environmental initiative, Albertsons' store directors will donate a park bench made of recycled Albertsons' plastic bags to the City of Oakland and send a team of associate volunteers to support Oakland's Earth Day activities.

The bench presentation is Tuesday, April 26, 2005, at Peralta Hacienda Historical Park, with Ignacio De La Fuente, President of the City Council, and Raul Godinez, II, Public Works Agency Director. "I am encouraged that Albertsons is rewarding their customers' recycling efforts with this bench donation. This kind of tangible result demonstrates the possibilities of both corporate and individual environmental efforts in Oakland," said President De La Fuente.

**What:** Donation of a recycled bench by Albertsons to the City of Oakland
