**National Public Works Week
Equipment Displays**

The City of Oakland, Public Works Agency will celebrate National Public Works Week, May 15 - 21, 2005. Each year the American Public Works Association sets aside a week to educate communities about public works and to honor employees who care for our infrastructure. This year, the City of Oakland's Public Works Agency will raise community awareness with heavy equipment displays in various locations throughout the City on Saturday, May 21, 10:00 A.M. – 3:00 P.M. Residents are invited to learn how street sweepers, backhoes, hydro-flushers and power rodders are used to clean our streets and keep the sewer and storm drain systems running.

Equipment Display Locations:

District One	St. Martin de Porres School 675 - 41st Street
District Two	Clinton Park 1230 - Six Avenue
District Three	De Fremery Park 1651 Adeline Street
District Four	Albertsons 4055 Macarthur Blvd
District Five	East 12th Street (between 35th & Fruitvale on East 12th)
District Six	Eastmont Mall 73 rd and Bancroft Avenues
District Seven	Durant Square 10950 International
